

SUBSCRIPTION CALCULATION SHEET

As a business, public sector, or not-for-profit employer, ECCC can provide access to all the expertise and practical support you need for success.

By joining the ECCC, you'll gain access to the best local business knowledge, employment law advice and networking opportunities, combined with the national resources of BusinessNZ and the New Zealand Chambers of Commerce.

This sheet is intended to assist you in calculating your annual ECCC membership subscription, to be included on your membership application form.
