

Making Business Easier at Wellington Airport

If you are a frequent flyer, the Corporate Charge Card can make parking at Wellington Airport easier. Sign up before the end of February 2011 and receive FREE access to The Corporate Box, during all of March! What is a Corporate Charge Card?

The Corporate Charge Card provides convenient access to Wellington Airport's Car Parking, Lounge and Conference Centre facilities. Each time the corporate charge card is used the transaction is automatically calculated and recorded. All transactions are billed back to your organisation at the end of each month. Corporate Charge Cards can be issued to a single person or a shared card for use between a department or across a company.

Why choose a Corporate Charge Card?

- it cuts down on the need to process expense claims or deal with petty cash
- it is easy and convenient to use – saving time for travelling employees
- just one itemised statement each month for all transactions
- no monthly fee or hidden costs
